

# Motocross School

## OMC

Owyhee Motorcycle Club  
*Members Only*

**Sunday, October 21**

**8:00am to 6:30pm**

Head First in Motocross

**Learn From a Professional MX Coach!**

- Learn the art of cornering
- Gain confidence and control
- Be a safer and smarter rider
- Championship proven MX techniques
- Have more fun

**Discover the MX Coach 8 Fundamental Laws of Motorcycle Physics™**  
Every sport has fundamentals, which the students learn, become competent in, and then master these fundamentals. The opportunity in motocross is that these fundamentals are largely unnoticed or ignored by most, even by professional racers.

The techniques and methodologies that you will be trained and coached in are a scientific approach that have produced champions—and will unquestionably take any rider, no matter what skill level, to immediate and breakthrough results.

**MX Coach 8 Fundamental Laws of Motorcycle Physics™**
